We Care Classic Charity Golf Tournament Gives Helping Hand Home for Children \$60,000

On May 10, 2010, White Construction Company hosted the 5th annual **We Care Classic Golf Tournament** at the Hills of Lake Way, raising \$120,000. A portion of the proceeds from the event will benefit Helping Hand Home for Children. White Construction Company is an award-winning commercial contractor with over thirty-eight years of construction expertise in a wide variety of industries. In the past five years, **We Care Classic** has raised \$625,000 for Central Texas children in need.

Helping Hand Home for Children is a non-profit organization that provides residential treatment, therapeutic foster care, adoption services, and charter school education services for emotionally disturbed children. Since 1893, Helping Hand Home for Children has provided compassionate care and services to children who have suffered unspeakable abuse. Our goal each day is to help these kids heal from their past trauma, and to learn positive behaviors so they will be happy and successful when they move to a healthy family setting.
